## A Little Festive Fun At Olde Towne!

The staff joined in for some holiday fun by decorating the doors around the center for our patients and staff to enjoy over the holiday season. Many of the patients commented on how festive the center looked and it has made for some cheerful competition among the staff. We even had a contest with small prizes for the 1st, 2nd and 3rd place winners.

**Meiber Gonzalez Avila**, our **Health Educator**, won first place for her Healthy Holiday door with a Broccoli Tree and vegetable ornaments that she handstitched.

The **Dental Department** collectively decorated their clinic door winning them second place for their Christmas Mantle. They also wrapped each patient room door for fun.

**Michelle Bowman**, **Clinical Assistant** won third place for her Holiday Tree complete with wrapped gifts that actually were attached to the door in 3-D.

We had many honorable mentions and everyone was very creative. Thank you to all of the staff for a fun team-builder.

Meet Stephanie! Stephanie is the Executive Assistant to our CEO and has been at Olde Towne for almost two years. During that time she has taken on many responsibilities, both for the administrative office and the clinical center.

Among her duties, she sends out patient referrals, works closely with the OB provider to make sure patients are scheduled properly and handles multiple items for the CEO.

Stephanie says, "I love working at Olde Towne because every day I know I am going to help someone out--even if it's the smallest favor,

### **Giving Tuesday update:**

Giving Tuesday is a global movement to do good, to help your fellow man and your community, to share good fortune with others.

On Tuesday, November 30 you all gave to help those in our community that are underserved and need affordable health and wellness care by giving to Olde Towne. We raised \$2,575.00!

We are humbled by your generosity and grateful for your donations on behalf of our patients.

### **Bidding Farewell and Best Wishes**

We are sad to say "Goodbye" to some of our colleagues, but wish them all the best.

By the end of December three of our most valued staff members will be gone from Olde Towne to embark on new adventures. **Lindsay Bowles**, who among other past positions was our recent Assistant Business Manager is leaving after 13 years to spend more time with her family; **Wilma Bond**, RN will be retiring after 24 years at the center in various positions but most recently primarily with our OB provider; **Georgia Mamangakis** will retire after 15 years working to advocate for our patients with Medicaid and helping patients with our Medication Access Program. We are thankful for their amazing years of service and dedication to the health and care of our many patients. They will be greatly missed.

As you are shopping for that PERFECT GIFT in this season of giving, try shopping through [AmazonSmile.com](https://www.amazon.com/amazonsmile) and do good with the money you will spend anyway.

I am happy to help make their day easier."

When Stephanie isn't working at Olde Towne she is spending time with her husband, 3 month old daughter and golden retriever. They like to explore Virginia and find new places to eat! Originally born and raised in California she is always trying to find the good beaches and Mexican food! Olde Towne is glad to have Stephanie on the team.
