A Night On The Olde Towne was such a success!!!

We celebrated 29 years and the contributions of Anthony Conyers, Jr. Judy Knudson Dr. William Bennett and the late Anne Bradstreet Smith

We've been busy adding to our team! Welcome to our new employees: Lisa Tinker, Assistant Business Manager; Susan Dunn, Communications and Development Coordinator; Cierra Fossiano, Clinical Assistant. We are excited for the talents these 3 bring to Olde Towne.

We had such a wonderful time at our Gala on April 22. We had an awesome dinner, dancing, fellowship and fun. We were able to raise some money through our Silent Auction that included amazing items like trips to New Orleans and the PGA tour, a gas grill, wine, jewelry, art and more. And the best part is we got to celebrate the individuals that helped make Olde Towne what it is today!

NEW PILOT PROGRAM HEALTHY FORK & KNIFE, HEALTHY LIFE

SPOTLIGHT ON...

New Pilot Program: Healthy Fork & Knife, Healthy Life

We have started a new program to try to promote healthier cooking and eating among our patients. By partnering with Williamsburg Community Growers, every week we are able to receive fresh vegetables grown locally to put into the hands of our patients at no charge. One of our Nurse Practitioners, Susan Walkley worked with WCG to try out her idea for the summer. Our first crop was lettuce and all of it was given out in one day. Stay tuned to our social media to see what healthy veggies our patients will be receiving this Spring and Summer! Another way that Olde Towne is connecting in the community.

(Thanks to our Facebook followers at Grove Christian Outreach and their encouraging comment for the name of the program!)
