Dr. Gregory Biernacki Joins The Staff As Medical Director

We are pleased to announce that Dr. Gregory Biernacki has joined the staff of Olde Towne Medical & Dental Center as our new Medical Director. Dr. Biernacki has had a distinguished career in medicine as well as in the military and brings a wealth of knowledge and expertise to the center. He is very familiar with the health and wellness needs of the Williamsburg community having been an original partner in bringing the first urgent care facility to the area. Dr. Biernacki has practiced with both the Sentara and Riverside Health Systems during his career which makes him a valuable asset in continuing the partnerships that OTMDC has with the two hospital systems in our community. We are so excited to have him join our team to help us continue to provide excellent care to the residents and workforce of the greater Williamsburg community.

**We raised almost \$1500 during
Give Local 757!
The 24 hours of Giving was
Tuesday, May 11th.**

We are so thankful to our generous donors who gave us just under \$1500 in 24 hours. This was our first time participating with the Give Local 757! Day of Giving but now that we've been bitten by the bug - we plan to participate again next May. So mark your calendars for
May 2022

to participate with us!

Maura Werten**

Spotlight On...

Jerry Hood
Dental Clinical Assistant

Meet Jerry Hood, our Dental Clinical Assistant. Jerry has been at Olde Towne for nine months and says he has loved every minute of it. Jerry is in charge of checking in patients for our dental clinic. He assists them with fulfilling the necessary paperwork they need when required. He also performs the general office duties that keep the dental side of our center running smoothly.

Jerry has been married to the same man for almost 40 years and together they are raising a teenage son and a pre-teen daughter who are the loves of his life.

We are very fortunate to have Jerry on our staff and look forward to many years of him working at Olde Towne.

Olde Towne Medical & Dental Center is seeing patients in person on a limited basis to allow for safety protocols and additional cleaning between patient appointments as directed by the CDC Guidelines for treating patients during the pandemic. We also offer telehealth visits. No walk-in appointments available at this time.

We are so glad to have Maura Wertin join our staff as the Development & Communications Assistant. Maura is originally from Pittsburg and she and her husband have been in Williamsburg for almost 2 years. Maura holds a degree in Communications with a concentration in Healthcare Communications. She is very excited to be part of the OTMDC team. A fun fact about Maura - She has a Dachsund mix dog named Chunk.

DINNER DILEMMA SOLVED

We've been hosting restaurant fundraisers each Wednesday in May and there is only one left!

May 26 - Carrabba's Italian Grill

Order dinner from 5-8pm and some of the proceeds of your meal will come back to Olde Towne.
